NWMLS #26149289 - Area 350 - Map 656- Grid E1

\$269,950.00

Welcome to this spacious rambler home located on a corner lot within the Renton Highlands area.

Brand new carpet and kitchen vinyl, compliments the new fresh paint. This home is ready for immediate occupancy.

The large lot is fully fenced and includes a large shade tree and a cherry tree. This home offers 1440 square feet of living space and three bedrooms and one full bathroom.

There is a very small basement area which provides storage space and the electric hot water heater.

The convenient location provides easy access to schools, parks, beaches, shopping, and highways.

Even a one year home warranty is included for the protection of the new home owner.

Free Buyers & Sellers Information

Buyers: If you are interested in looking at homes in a specific area, we can provide you with complete information on all listing of all homes available within your price range. We are always on-call and are willing to meet with you to discuss market value, help determine your needs, or show you any homes you may be interested in viewing.

There is no cost to buyers for our professional services and in fact under most circumstances we can offer you a free one year home warranty if you use our services.

Sellers: If you are looking for an experienced, hard working, honest real estate agent to help you find your ideal home, please call or e-mail me to confidentially discuss your situation. I am more than happy to answer any questions you may have about any aspect of the real estate sales process.

Ask about the possibility of a free home warranty.

Additionally, if you are curious about market value of your home or if you have been thinking about putting your house on the market, we would be happy to provide you with a free competitive market analysis value of your home. We would love the opportunity to be interviewed by you. By earning the job of helping you sell your home, we feel will benefit you by resulting in a quick sale for the best price possible.

We offer full marketing packages including utilizing the newest internet technologies. Check out our website to see our full-screen spherical 360 degree virtual tours, flash presentations, slideshows, and more.
